PERSONAL TELEPHONE USE

State telephones are provided for the conduct of State business. Agencies will formulate or adopt policies to control the use of State telephones and to discourage the use of State telephones for personal business. Agency policy must be consistent with the following:

- Personal long distance calls will not be made over the State Telephone System during regular State business hours.
- Personal long distance calls will not be made from State telephones unless arrangements are made with the long distance telephone operator at the time the call is placed to have the call billed to the caller's home telephone or credit card, or to place the call "collect."
- Agencies will ensure that personal calls do not interfere with the conduct of State business.

GENERAL TELEPHONE INFORMATION

STATE TELEPHONE SYSTEM

The State Telephone System (STS) is a Statewide network of over 130 interconnected Tie Lines and WATS circuits. The Tie Lines are individual circuit groups interconnecting thirteen major cities with Helena as the hub and switching center. Each outlying city has a unique access code for calling. The WATS circuits are long distance circuits originating in Helena to serve all the areas not served by Tie Lines. All WATS circuits have a single access code, "151".

Proper dialing is of the utmost importance to ensure the most effective use of the STS. Please read the dialing instructions on page 1. If you have questions, call 449-2586 for assistance.

The STS is provided for official use only. It is not a free service and abuse of the STS will not be tolerated. Recent improvements now make it possible to bill agencies for each and every call placed over the STS. Effective March 1, 1976, all calls placed over the Tie Lines and WATS circuits will be logged and agencies billed for actual usage of the STS. Agencies will be notified well in advance of implementation of the new system.

DIRECTORY LISTINGS

To better handle calls from State personnel and the public, Capitol operators need correct directory information. Please notify the Chief Operator, 449-3406, of all personnel or position changes.

DIRECTORIES

State Telephone Directories can be obtained, at $.50 each, from the Communications Division, Box 195 Capitol Station, Helena 59601, 449-2586.

ORDERING TELEPHONE EQUIPMENT AND SERVICE

All requests for installation, modification, relocation or removal of STS telephone equipment and services shall be submitted on Telephone Service Request, Form CB-100, as outlined in MAM Sections 1-0905.31 through 1-0905.40. Telephone Service Request, Form CB-100 is available from General Services Division, Mitchell Building, Helena 59601, 449-3060.

The Communications Division, Department of Administration will provide assistance in planning your communications needs. Certain categories of communications equipment and services require specific approvals, please refer to MAM Sections 1-0909.00 and 1-0917.00.

TROUBLE REPORTING

Report all trouble conditions to the Chief Operator, 449-3406. Remember, trouble conditions not reported cannot be corrected.

"The cowards never started and the weak died on the road,
And all across the continent the endless campfires glowed.
We've taken land and settled - but a traveler passed by -
And we're going West tomorrow - Lordy, never ask us why."
Rosemary and Stephen Vincent Benet thus summed up the powerful urge to move West. And Joaquin Miller shouted: "Room! Room to turn round in, to breathe and be free!"

These lines beautifully illustrate the spirit of the pioneers who settled this land to make a home of the Big Sky Country for themselves and their children. Montanans are again demonstrating this spirit in the Bicentennial and their pride in the glorious history of the Treasure State.

We are leading the Nation in the celebration of America's 200th birthday by participating in over 2,000 Bicentennial projects throughout the State. Montana may not be 200 years old, but the heritage of our Native American brothers reaches back over many thousands of years. The Bicentennial is a great opportunity to celebrate the two cultures that have shaped our State.

Certainly, we can all profit from a reexamination of the principles of our democracy to better prepare our State and Nation for the proud march into the third century of America. I urge each and everyone of you to "get involved" in the Bicentennial.
